Cajun Remoulade

2 cups mayonnaise

2 tablespoons catsup

2 tablespoons creole mustard or 2 tablespoons cajun mustard or 2 tablespoons deli style mustard

1 tablespoon fresh parsley (chopped)

1 tablespoon cayenne pepper (1 tsp for mild)

1 tablespoon lemon juice (freshly squeezed)

2 teaspoons prepared horseradish

2 garlic cloves

1 teaspoon Worcestershire sauce

1 teaspoon celery salt

1 teaspoon paprika

Mix all ingredients well in a mixer.

If you're not sure how spicy you want it, save the cayenne pepper for last and add a little at a time.

Refrigerate overnight.
